

QuoteWerks IT Nation Training

Do you want to streamline your quoting process with ConnectWise? This class is your opportunity to work directly with members of the QuoteWerks staff to take advantage of your QuoteWerks and ConnectWise investments to create the complete solution.

This is not the full 10 hour training that we have quarterly at our corporate office in Orlando, FL, but rather this training is specifically designed for the ConnectWise IT Nation.

We will start with the basics like “**How to setup the integration**” and “**How to create your first Quote with ConnectWise.**” We will also go into more advanced features like “**Optimizing your product presentation with pictures and Etilize**” and “**Forecasting with Recurring Revenue.**” We will also be covering general QuoteWerks features like “**Customizing your Quote and Proposal Outputs**” and “**Reporting with QuoteWerks.**”

The basic training outline of the day has been shaped through feedback that we have received from the ConnectWise community via email and from a webinar held in September. From there, the training will be shaped by what you want to see and learn!

The highlight of the event will be a sneak preview of the next QuoteWerks® release and the much anticipated **QuoteValet!**

Details

When: November 2nd 2010 **Hours :** TBA
Where: Hilton Bonnet Creek - Orlando, FL
Cost: \$199.00*
