FOR IMMEDIATE RELEASE

QuoteWerks™ Surpasses 40,000 Users in 75 Countries

Leading sales quoting software provides value to thousands of companies across most industries.

ORLANDO, FL (PRWEB) May 26, 2006 — Aspire Technologies, a leading provider of sales quoting software solutions for the global small and midmarkets, today announced strong results for its award winning software QuoteWerks™.

Upon completion of an internal deployment audit, company officials report that sales of its QuoteWerks™ software package has surpassed 40,000 active users representing deployments in 75 countries worldwide. Demand for the award winning quoting application that integrates with most of the world's leading CRM applications, has remained strong since Aspire Technologies released Version 4 of the software in the third quarter of 2004, allowing the Orlando-based company to gain significant market share across most industries in a short time period.

"QuoteWerks™ is well-suited for most any company that engages in line item sales quoting through leveraging a service-oriented architecture that provides ease of use and flexibility to users," said John C. Lewe, IV, President of Aspire Technologies. "The success of QuoteWerks™ and the achievement of this milestone reinforces that we deliver to companies of all sizes today, a technologically advanced solution, out-of-the-box, that manages the entire quoting/invoicing/order cycle, enables real-time synchronization across the sales chain, and provides the agility required by small and midmarket companies as well as larger enterprises and divisions of the Global 1000."
