Aspire Technologies, Inc. Executives Honored in Annual MSPmentor 250 Report

Global Report Identifies the World's Top Managed Services Executives, Entrepreneurs, Experts, Coaches and Community Leaders

ORLANDO, FL (PRWEB) August 4, 2011 Executives John C. Lewe IV, President, and Brian Laufer, Vice President, of Aspire Technologies, Inc. were named to the [MSPmentor 250](#) list. Each year, the MSPmentor 250 identifies the world's top managed services experts, entrepreneurs and executives — including professionals who have mastered business leadership, marketing, sales, technology, coaching and other areas within the managed services market.

John Lewe is recognized as “the founder, lead developer, and president of one the best-known quoting tools [QuoteWerks](#) in the MSP industry.” QuoteValet, his most recent product, is noted to give “MSPs insight into their sales process to close more sales.”

“Laufer works closely with MSPs and VARs,” reads Brian’s MSPmentor 250 listing, “specifically with the [Autotask and ConnectWise communities](#), to ensure that QuoteWerks is the most effective quoting and proposal tool for their changing businesses.” Mr. Laufer is also credited for developing the QuoteWerks integration to [Autotask](#).

The fourth-annual MSPmentor 250 report is based on a global survey of MSPmentor readers, conducted from April through June 24, 2010. Readers were asked to identify top managed services experts across sales, marketing, technology, community building, coaching, executive leadership and more.
